**“G.R.E.A.T. Volunteer Programs: The Sequel”
 Keep the Conversation Going!**

In February, FVA hosted a very popular program that addressed five pillars of volunteer management: **G**etting the Word Out; **R**elationship Building; **E**ducation and Orientation; **A**ppreciation; **T**racking Success. Evaluations raved about the workshop, but attendees asked for more time to share ideas and network with each other. Now is the time!

At this roundtable, participants will have the chance to revisit the topics and spend time with each other. Everyone will enjoy the format: those who were with us in February and those who weren't. And to make it more fun, anyone who brings a non-member guest will be entered into a drawing for a scholarship for the Annual FVA Fall Conference!

Make sure to stay with us for networking at a social hour following the program. Light refreshments provided.

Fee: Free for members and \$10 non-members
